

**ECOLE NOUVELLE  
DE LA SUISSE ROMANDE**

New since 1906

## Partnership

### Taichung City Government Education Bureau

Taichung, Taiwan  
and

### Ecole Nouvelle de la Suisse Romande (ENSR)

Lausanne, Switzerland

In order to tighten the relationship between Taichung City and the ENSR, the two parties agreed on the following points.

#### **Student Programmes:**

##### 1. Exchange Programme

Exchange among Students from Taichung and from the ENSR, each going to study in the other country for 2-4 weeks and being hosted by the correspondent family.

##### 2. Summer Programme

Taichung Students are most welcome to join the ENSR Summer camps. For a group of 10 or more students for the same week, 10% discount is applied and a free place provided for a teacher from Taichung to accompany.

Summer camps are designed to study French and/or English in the morning and to have cultural and sports activities in the afternoon. Excursions on weekends. More information on the website: <https://ensr-summer.ch>

##### 3. Dual Diploma Programme

Places guaranteed for any recommended Taichung Students in grades 11<sup>th</sup> and 12<sup>th</sup> of the International Baccalaureate Diploma Programme at the ENSR as Boarding students if the 10<sup>th</sup> grade was completed in a pre-IB programme in Taichung.

The IB Diploma grants access to most universities in the world. Depending on academic merit and financial needs, the ENSR might provide a discount on tuition fees for the two-year programme. For more information: <http://www.ensr.ch/international-baccalaureate/>

##### 4. Incentive Programme

An incentive programme is open to Taichung students. It consists of two weeks skiing in the mountains and two weeks studying in the campus.

Parents enrolling their child after this 1-month trial get a discount on the school fees.

#### **Professional Educator Programme:**

Workshops are organized by the ENSR for teachers in its campus in Lausanne on designated topics for a duration from two days to one week. Days, topics and conditions to be decided.
