舊城區 Old Town Area

每座城市都有起源之地，可能是一條河川或是一座火車站，慢慢地向外擴展，形成今日繁華之貌。早期臺中市以中區及周邊為發展中心，當時的熱鬧繁榮無法言語，如今留下依舊風華不滅的舊城區，縱使新舊替換交疊，每一處仍有自己的故事可說。

The development of a city often starts around a river or train station and gradually grows outwards to its present expanded state. The main hub of Taichung City during its early years was Central district and surrounding areas. The old downtown is still a popular area with many stories to tell.
