

藝文場所 Spaces for Art and Culture

生活的豐富在於充滿音樂、藝術、文學、創意等元素，滋養了心靈，也讓看世界的視角有了全新觀點。以文化之都為使命的臺中市，從國家級的劇院和美術館，到各式特色圖書館和書店，甚至是近年萌芽的文創亮點，處處為城市添增藝文底蘊。

The richness of life is derived from music, art, literature and other forms of creativity. These elements nourish the soul and offer us fresh perspectives. Taichung is home to a wide variety of venues for artistic and cultural events, including a national-grade opera house and fine arts museum, specialized libraries and bookstores, and various art and culture spots that have recently popped up across the city.

6-01 臺中國家歌劇院 National Taichung Theater

國際新地標歌劇院 A new international landmark

被譽為世界九大新地標的臺中國家歌劇院，由國際建築師伊東豊雄以「美聲涵洞」概念打造內部空間，完全沒有樑柱的圓弧曲線既柔軟又充滿生命力，室外則有戶外劇場和空中花園，成為表演藝術的新亮點。

The design of this theater, hailed as one of the nine new architectural landmarks in the world, was inspired by the concept of sound caves. Japanese architect Toyo Ito's design created an opera house whose unending soft lines brim with life. There are also an amphitheater and hanging garden outside of the new theater.

青春校園 School Campuses

青春是明亮輕快的詩篇，彷彿什麼事都有可能實現，對未來滿懷希望，而校園就是主演青春的場景。學生下課後的談天片語、隨風擺盪的裙襬、捧書並肩齊走的閒步，亦或是羞澀靦腆的戀情，各種純真情節充斥在寧靜優美的校園中，不管多少年後都令人頻頻回首。

If youth resembles light and cheerful poetry, then campuses are the stages on which these works are performed. Students chatting after class, skirts swaying in the breeze, strolls taken with books in hands, newfound puppy love that is both shy and exciting—all sorts of stories are constantly being told in these spaces.

舊診所改造的在地人文空間 Renovated old clinic into local cultural space

兩層樓高的純白老宅，原為在地老醫師的診所和故居，一樓保留老沙發、留聲機、舊式樓梯，並展示醫療用具以重現看診處，二樓則有神靖丸紀念展覽，另規劃餐飲空間、戶外老樹庭園，氛圍閒適。

The two-storey pure white old house was originally the clinic and former residence of the local physician. On the first floor, old sofas, gramophones, old-style stairs are kept, and medical appliances are displayed to replicate the old clinic. On the second floor, there is a memorial exhibition of Shinsei Maru. There are also a dining area and outdoor old tree garden.
